- 1.1. Please read these Conditions of Use. They apply to:
 - (a) all transactions initiated by you through an Electronic Banking Terminal by the combined use of your Visa Card and a Personal Identification Number (**PIN**) or signature; and
 - (b) all other transactions (including telephone, internet, Visa payWave and transactions made through the use of Digital Wallet) effected with the use of your Visa Card or Visa Card Number.
- 1.2. Your Visa Card (and any replacement or additional cards) is linked to your mortgage loan account (Linked Account). These conditions of use should be read in conjunction with the terms and conditions that relate to your mortgage loan account including those terms relating to electronic access to your Linked Account.
- 1.3. Once we have approved your application for a Card, you will be sent a physical Card. You can also add your Card to Apple Pay and Google Pay on supported Devices. Apple Pay and Google Pay are subject to additional terms found in 'Section 12 - Digital Wallets'.
- 1.4. **On activating or first using your Visa Card (whichever is earlier), you agree to abide by these Conditions of Use.** If activation is required, it may still be possible for your Visa Card to be used prior to activation. For example, this may occur when your Visa Card is used to purchase goods or services for an amount which is below the approved Floor Limit. The Available Funds in your Linked Account will be reduced by the amount of any transaction that is made in these circumstances.

1.5. These Conditions of Use:

- (a) are issued to you by Columbus Capital Pty Ltd ACN 119 531 252, who is the issuer of the financial product and responsible for its features, terms, and conditions. Trading as Origin Mortgage Management Services, herein referred to as "OMMS", and/or through its wholly owned subsidiaries Granite Home Loans Pty Ltd; Homestar Finance Pty Ltd and their approved agents; and apply to you and any Additional Cardholder; and
- (b) Hay Limited (ABN 34 629 037 403), as the Visa licensed issuer is sponsoring Columbus Capital Pty Ltd into the Visa payment network. Hay Limited is not the issuer of the financial product.
- (c) Your Visa Card is issued to you by Hay Limited at the request of OMMS.
- (d) Hay Limited is a member of Visa and is responsible for effecting settlement of all transactions that arise as a result of the use of your Visa Card or Visa Card Number. OMMS manages (on behalf of the Lender) your Linked Account to which you may obtain access by use of your Visa Card.

1.6. If these Conditions of Use are not clear to you, contact OMMS **BEFORE** using your Visa Card or alternatively seek independent advice from your accountant or lawyer.

1.7. Information on the current fees and charges that apply in relation to the use of your Visa Card are available in the Schedule of Fees and Charges at the end of these Conditions of Use.

1.8. Words that are capitalised are defined in section 47 below.

2. IMPORTANT POINTS TO REMEMBER TO SAFEGUARD YOUR ACCOUNT

2.1. If you fail to properly safeguard your Visa Card or PIN, you may increase your liability for unauthorised use (refer to section 31 below for a list of circumstances where you may be held liable for an unauthorised transaction). It is therefore strongly recommended that you:

- a) sign your Visa Card immediately when you receive it;
- b) memorize your PIN and never store it with or near your Visa Card;
- c) never write your PIN on your Visa Card;
- d) never lend your Visa Card to anyone;
- e) never tell anyone your PIN or let anyone see it, including any family member or friend;
- f) don't choose a PIN that is easily identified with you, e.g., your birth date, an alphabetical code which is a recognisable part of your name or your car registration;
- g) don't choose a PIN that is merely a group of repeated numbers;
- h) try to prevent anyone else seeing you enter your PIN into an "Electronic Banking Terminal"
- i) never leave your Visa Card unattended, for e.g., in your car or at work;
- j) immediately report the loss, theft or unauthorized use of your Visa Card to the **OMMS Customer Service on 1300 767 063** and mark the card stolen or lost in internet banking app
- k) If you store your Visa Card in a Digital Wallet and you lose your mobile device immediately report the loss, theft or unauthorised use of your mobile device to the **OMMS Customer Service on 1300 767 063** and mark the card stolen or lost in OMMS Mobile Access app

- l) keep a record of the **OMMS Customer Service on 1300 767 063** telephone number with your usual list of emergency telephone numbers;
- m) examine your account statement as soon as you receive it to identify and report, as soon as possible, any instances of unauthorised use; and
- n) for security reasons, on the expiry date, destroy your Visa Card by cutting it diagonally in half (including cutting in half any chip on your Visa Card).

3. INTRODUCTION

3.1. These Conditions of Use apply to:

- (a) your use of your Visa Card when used in conjunction with a PIN, in an Electronic Banking Terminal;
- (b) use of your Visa Card to purchase goods or services where a PIN is not required; and
- (c) use of your Visa Card or Visa Card Number (for example, to make a transaction over the telephone, internet or with your Digital Wallet).

3.2. At your request, OMMS may attach other services to the Visa Card. Any additional services that you request to be attached to your Visa Card will be advised to you in writing.

3.3. You will be required to activate your Visa Debit Card before being able to use your Visa Card. To activate your Visa Debit Card, you can:

- (a) Activate the Card in your OMMS Mobile Access App, or
- (b) Contact **OMMS Customer Service on 1300 767 063** and follow the prompts.

- 3.4. If you do not agree with the terms of these Conditions of Use, do not Activate your Visa Card.

Instead, return all Visa Cards to OMMS (cut it in half for your protection, including cutting in half any chip on your Visa Card). Remove the Visa Card from any Digital Wallets you may have provisioned it to.

4. SIGNING YOUR VISA CARD

- 4.1. You agree to sign your Visa Card as soon as you receive it and before using it, as a means of preventing unauthorised use.

5. REPORTING THE LOSS OR THEFT OF YOUR VISA CARD

- 5.1. If you believe your Visa Card or PIN record has been lost or stolen, or your PIN has become known to someone else, or if your Visa Card is stored in a Digital Wallet and your mobile phone has been lost or stolen, or the codes to open your Eligible Device have become known to someone else, you should **IMMEDIATELY** report this by contacting:

(a) DURING NORMAL BUSINESS HOURS

Origin Mortgage Management Services Local
call - 1300 767 063

(b) OUTSIDE NORMAL BUSINESS HOURS

Origin Mortgage Management Services email
- service@originmms.com.au

- 5.2. If for any reason any of the above methods of notification is unavailable, any losses occurring due to your inability to notify OMMS using one of the above methods will be the liability of OMMS. To avoid further losses, you are required to continue to try to provide notifications by using one of the

methods referred to above. Providing you continue to try and use reasonable endeavors having regard to your own individual circumstances to notify OMMS, OMMS will continue to be liable for any loss occurring as a result of any unauthorised use of your Visa Card.

- 5.3. If your Visa Card is reported as lost or stolen, Hay Limited will arrange for OMMS to issue to you a replacement Visa Card. You must give OMMS a reasonable time to arrange cancellation and the issue of a replacement Visa Card.
- 5.4. As your Lender has appointed OMMS as manager to manage your Linked Account and arranged for OMMS to provide the Visa Card to you, you should not contact the Lender regarding any aspect of your Linked Account or the Visa Card as this is managed by OMMS.

6. USING YOUR VISA CARD

- 6.1. Your Visa Card is generally accepted anywhere the Visa logo is displayed in Australia or overseas. OMMS, will advise you:
 - (a) what transactions your Visa Card will enable you to perform at an Electronic Banking Terminal;
 - (b) which Electronic Banking Terminal networks you may use; and
 - (c) what mail, internet or telephone transactions you may carry out with your Visa Card by quoting your Visa Card Number or through the use of your Digital Wallet.
- 6.2. You accept that:
 - (a) not all Electronic Banking Terminals from which cash can be withdrawn will always contain cash; and

- (b) any cash dispensed at any Electronic Banking Terminal is at risk once it becomes visible or available for you to collect.
- 6.3. Any transaction made by you at an Electronic Banking Terminal cannot be cancelled, altered or changed by you.
- 6.4. You may only use your Visa Card to perform transactions on your Linked Account in accordance with these Conditions of Use.
- 6.5. In the first instance, your Linked Account will be debited (which will reduce the Available Funds of your Linked Account) with the value of all transactions carried out:
 - (a) by the use of your Visa Card at an Electronic Banking Terminal;
 - (b) by the use of your Visa Card Number (for example, using your Visa Card Number to conduct a telephone or internet transaction); or
 - (c) when your Visa Card is presented to a merchant (or someone else on behalf of a merchant) in a way acceptable to OMMS.
- 6.6. If the Linked Account is in the name of more than one person (referred to as a joint account), then you and the joint account holder will be jointly and severally liable (subject to your rights under these Conditions of Use) for all transactions carried out by using yours or the joint account holder's Visa Card or Visa Card Number. This means that:
 - (a) your joint account holder will be liable to OMMS and the Lender (subject to your rights under these Conditions of Use) for all transactions that are carried out by use of your Visa Card or Visa Card Number; and

- (b) if applicable, you will be liable to OMMS and the Lender (subject to your rights under these Conditions of Use) for all transactions that are carried out by use of the joint account holder's Visa Card or Visa Card Number.

- 6.7. To facilitate the processing of transaction information, your Visa Card details and transaction details may be processed by Visa in countries other than Australia. By using your Visa Card, you agree that information regarding any transactions may be processed outside of Australia.
- 6.8. If your Visa Card is payWave enabled, then it may be possible for your Visa Card to be used to pay for transactions that are under \$100.00 by using the Visa payWave functionality at Visa payWave participating merchants. Before authorising a Visa payWave transaction by waving your Visa Card over the merchant's enabled Visa payWave terminal, you must check that the correct amount is displayed on the Visa payWave terminal. If your transaction exceeds \$100.00 (or other amount set at the terminal), you will be required to either sign or enter your PIN.
- 6.9. Your Visa Card will be registered with Visa Secure. Visa Secure is a program designed to authenticate online transactions. This means that when you use your Visa Card online to make a purchase at a Visa Secure Participating Merchant, your identity may need to be validated if the relevant transaction is deemed to be high risk. In certain circumstances, if your transaction is deemed to be very high risk, the transaction will be declined. If you are unable to validate your identity, your Visa Card may be suspended.

For assistance in these circumstances or to learn how your Visa Card may be unsuspended, please contact OMMS during its normal business hours (refer to OMMS's website at www.originmms.com.au for details of OMMS's normal business hours).

7. LIMITATIONS OF YOUR VISA CARD

- 7.1. You should always check with the relevant merchant that it will accept your Visa Card before purchasing any goods or services. Neither OMMS nor the Lender warrants or accept any responsibility for:
 - (a) any Electronic Banking Terminal refusing to accept your Visa Card; or
 - (b) any goods or services purchased with your Visa Card.
- 7.2. You must not use your Visa Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of Australia and/or the laws of the location where the Visa Card is used or where the goods or services are provided. Should your Visa Card be used for unlawful purposes, your Visa Card may be suspended or cancelled and you may be restricted from accessing any Available Funds from your Linked Account.
- 7.3. You must not allow any other person to use your Card. Allowing someone else to use your Card is a breach of these Terms.

- 7.4. It is an offence under Australian law to conduct transactions on an account which may lead to an actual or attempted evasion of a taxation law, or an offence under any other Commonwealth or Territory law. Where OMMS has reasonable grounds to suspect that such transaction(s) have occurred on your Linked Account, OMMS is obliged to report such suspicion to the Australian Transaction Reports and Analysis Centre.
- 7.5. Fraudulent transactions can arise from use of your Visa Card or Visa Card Number. Where you advise OMMS that a transaction that has been debited to your Linked Account is fraudulent, unauthorised or disputed, OMMS will investigate and review that transaction in accordance with section 31 of these Conditions of Use.
- 7.6. To the extent permitted by law, neither OMMS nor the Lender are responsible in the event that you have a dispute regarding the goods or services purchased using your Visa Card. In the first instance, you should contact the merchant directly. If you cannot resolve the dispute with the merchant, OMMS and Hay Limited have the ability in certain circumstances to investigate disputed transactions on your behalf (refer to section 31 below for a list of circumstances when OMMS and Hay Limited can investigate disputed transactions) and attempt to obtain a refund for you.

8. USING YOUR VISA CARD OUTSIDE AUSTRALIA

- 8.1. All transactions conducted overseas will be converted into Australian dollars. Transactions will either be converted directly into Australian dollars or will be first converted from the currency in which the transaction was made into US dollars and then converted to Australian dollars by Visa. The conversion rate used is either:
- (a) a rate selected by Visa from a range of rates available in wholesale currency markets for the applicable processing date, which may vary from the rate Visa receives; or
 - (b) the government-mandated rate in effect for the applicable processing date.
- 8.2. A currency conversion fee may be payable by you when you make a transaction on your Visa Card including an Account Funding Transaction (AFT) or Original Credit Transaction (OFT) (where available) in a currency other than Australian dollars, or you make a transaction on your Visa Card or make a cash withdrawal (for e.g., withdrawal at an ATM) in any currency (including AUD) that is processed by a card scheme or financial institution or billed by the merchant outside of Australia. It may not always be clear, particularly when purchasing online, that the merchant, financial institution or card scheme processing is located outside of Australia.
- 8.3. Note: Refunds in currencies other than Australian dollars are converted to Australian dollars as at the date they are processed by Visa using exchange rates determined by them. This may lead to the refund being converted using an exchange rate different from the one used to convert the original purchase. The converted Australian dollar amount appears on the Visa Card transaction history as the transaction amount.

- 8.4. The currency conversion fee charged is a percentage of the value of each overseas transaction effected by you. This fee will be debited to your Linked Account and will appear on your account statement. Please refer to your

Schedule of Fees and Charges at the end of these Conditions of Use for the applicable amount of the currency conversion fee that applies as at the date you receive these Conditions of Use.

- 8.5. The currency conversion fee may change. Any change to this fee will be notified to you in accordance with section 40, unless the change reduces the amount of the fee.

9. TRANSACTION LIMITS

- 9.1. You agree that you will NOT use your Visa Card to:
- (a) overdraw the balance in your Linked Account; or
 - (b) exceed the unused portion of any credit limit provided to you under any prearranged credit facility with OMMS and/or the Lender.
- 9.2. OMMS:
- (a) may set temporary or permanent limits on the minimum and maximum amounts that you may withdraw from your Linked Account on any one day through the Electronic Banking Terminal; and
 - (b) will advise you of any daily transaction limits that apply at the time of your application of your Visa Card.
- 9.3. Where a temporary minimum or maximum limit is imposed, OMMS will use reasonable endeavours to notify you that it has imposed a temporary transaction limit. A temporary maximum transaction limit will usually be imposed in

circumstances where transactions appear to be suspicious or fraudulent. Where a new permanent minimum or maximum transaction limit is imposed, OMMS will inform you of this change in accordance with the requirements set out in section 42 of these Conditions of Use.

- 9.4. Merchants offering eftpos facilities have the right to impose conditions on the use of such facilities. This can include imposing their own transaction limits or restrictions on the amount of cash or value that you may obtain using your Visa Card.**

10. AUTHORISATIONS AND PROCESSING OF TRANSACTIONS

- 10.1.** Certain transactions that you make using your Visa Card may need to be authorised before they can proceed. In these circumstances, prior to the transaction being completed, the relevant merchant's financial institution will obtain authorisation for the transaction to be processed. Once authorisation is obtained, it will reduce the amount of Available Funds in your Linked Account. If circumstances occur where authorisation is obtained but the relevant transaction is not completed, your Available Funds in your Linked Account may be reduced for a period of time.
- 10.2.** Transactions will not necessarily be processed to your Linked Account on the same day they occur. The date that you conduct the transaction is referred to as the transaction date. Some transactions will be processed after the transaction date. This is usually due to the relevant merchant's financial institution not processing the relevant transaction on the transaction date.

- 10.3. OMMS have the right to refuse authorisation for you to effect a transaction if:
- (a) OMMS has restricted access to your Linked Account in accordance with section 30 of these Conditions of Use;
 - (b) in accordance with section 31 of these Conditions of Use, OMMS believes on reasonable grounds that the transaction is fraudulent or suspicious; or
 - (c) the transaction will result in you overdrawing the Available Funds in your Linked Account.

11. TRANSACTION HISTORY

- 11.1. You can view your transaction history in the OMMS Mobile Access App, or the OMMS Internet Access portal at any time. You should regularly check it to make sure there is nothing unusual, such as:
- (a) transactions that you don't recognise;
 - (b) transactions that you didn't authorise;
 - (c) transactions where you never received the relevant goods or services;
 - (d) transactions where the Purchase price differs to the Purchase amount; or
 - (e) you think a transaction may have been duplicated.

12. DIGITAL WALLETS

- 12.1. You may enrol your Visa Card into an eligible Digital Wallet. The term Digital Wallet includes the payment functionality provided by the Wallet Providers, the Card provisioning functionality, and display of transaction history. Hay Limited will determine, in its sole discretion, which Visa Cards may be eligible for use through a Digital Wallet and Hay Limited reserves the right to decline any enrolment of a Visa Card to a Digital Wallet service where Hay Limited reasonably considers it necessary or prudent to do so, without the need to give you any reason.

- 12.2. Use of a Digital Wallet is at your discretion. You are not obliged to use a Digital Wallet in connection with any of your Visa Cards.
- 12.3. You acknowledge that your use of a Digital Wallet is subject to any terms and conditions specified by the Wallet Providers, none of which will change or override these Terms and Conditions.
- 12.4. A Visa Card enrolled into a Digital Wallet enables a Cardholder to purchase goods and services with an Eligible Device at:
- (a) near field communication ("NFC") enabled merchants; and
 - (b) an online merchant (whether in-app or through website), who accepts payments from a Digital Wallet service.
- 12.5. Digital Wallet services allow you to use your Eligible Device to access and use your Visa Card to make purchases in place of presenting or using your physical Visa Card. Some Electronic Banking Terminals may require you to enter your PIN.

13. ENROLLING YOUR CARD

- 13.1. To add your Visa Card to a Digital Wallet, you must register your Card through the relevant Digital Wallet service. Your enrolment will be declined if the Card is not eligible for this service, you failed the authentication process, or if your Visa Card or your Linked Account is not in good standing or conducted in a proper or satisfactory manner as determined by OMMS in its absolute discretion, which OMMS shall exercise reasonably. Your Visa Card, in digital form stored in the Digital Wallet remains the property of Hay Limited at all times.

14. ACCEPTABLE USE OF PASSCODES AND BIOMETRIC IDENTIFIERS

- 14.1. If your Visa Card is enrolled in a Digital Wallet you are responsible for ensuring that:
- (a) only your Biometric Identifier is registered on the Eligible Device (and no other person's Biometric Identifier is registered);
 - (b) the Digital Wallet is not shared with anyone and is used only by you;
 - (c) you keep your passcode secure in the same way as a Cardholder would a banking password or PIN secure, including by:
 - (i) not sharing it with anyone;
 - (ii) not carrying a record of it within an Eligible Device or with anything capable of being stolen along with an Eligible Device (unless a reasonable effort is made to protect the security of it);
 - (iii) not choosing an easily guessable passcode such as your date of birth or a recognisable part of your name; and
 - (iv) not acting with extreme carelessness in failing to protect the security of the passcode;
 - (d) you keep the Eligible Device safe and secure (including by locking it when not in use or when it is unattended and by installing up-to-date anti-virus software on it);
 - (e) you must take all steps and prevent any fraud, loss or theft in respect of the Eligible Device or any Visa Card in connection with the use of Digital Wallet; and
 - (f) you remove any Cards from your Eligible Device before disposing of the Eligible Device.

14.2. If you:

- (a) let any other person's Biometric Identifier be registered on your Eligible Device;
- (b) share your passcode with any other person; or
- (c) register a Biometric Identifier on your Eligible Device in circumstances where you are aware that another person is or may be able to use their biometric information to access the Eligible Device, you are taken to have authorised that person to transact on your account using the relevant Digital Wallet. This means that any Digital Wallet transaction initiated by that person using the passcode or Biometric Identifier will be authorised by you, you will be responsible and liable for those transactions, and these Conditions of Use which deal with unauthorised transactions will not apply. You understand and acknowledge that this can result in significant loss or liability to you.

15. LOST, STOLEN OR COMPROMISED DEVICES

15.1. **Protecting your important information**

It is important you keep your Device, OMMS Mobile Access App, Card information, PIN and Passcode secure.

You must not:

- (a) Unnecessarily disclose the Card number on your Card
- (b) write a PIN or Passcode down either on the Card or on something you carry with the Card
- (c) share your PIN or Passcode with any other person
- (d) allow another person to register their Biometric details on your Device

15.2. LOST CARD:

If you believe your physical Card is lost (and there's a chance you'll find it) you can **block** your Card in the OMMS Mobile Access App so that it cannot be used. While the physical Card is blocked you can continue to use your Card with Apple and/or Google Pay. If you locate your Card, you can **unblock** it in the OMMS Mobile Access App. If you cannot locate your Card, you must report this immediately via:

(i) DURING NORMAL BUSINESS HOURS

Origin Mortgage Management Services
Local call - 1300 767 063

(ii) OUTSIDE NORMAL BUSINESS HOURS

Origin Mortgage Management Services
email - service@originmms.com.au

- 15.3.** If you fail to notify us without delay, you may be liable for part or all of the losses in connection with any unauthorised use of your Visa Card in connection with a Digital Wallet as set out in section 31.

16. TRANSACTION HISTORY DISPLAYED IN A DIGITAL WALLET

- 16.1. The transaction history displayed in a Digital Wallet in connection with the use of your Visa Card solely represents OMMS's authorisation of your Digital Wallet transactions using that Eligible Device. It does not reflect any post-authorisation activity, including but not limited to clearing, settlement, foreign currency exchange, reversals, returns or chargebacks.
- 16.2. Accordingly, the purchase amount, currency, and other details for your Digital Wallet transaction history in connection with use of your Visa Card in a Digital Wallet may not match the transaction amount that is ultimately cleared, settled, and posted to your Linked Account. If there is any inconsistency between your Linked Account statement and transaction history displayed in your Digital Wallet, your Linked Account statement, subject to the correction of any error OMMS reasonably determines to exist, shall prevail, and you will remain liable to OMMS for the amounts set out on your Link Account statements.

17. FEES & CHARGES FOR USING DIGITAL WALLET

- 17.1. OMMS does not currently impose a fee for using your Visa Card through a Digital Wallet but Hay Limited and OMMS reserve their right to impose a fee at their discretion in the future, subject to notifying you in accordance with section 42 of these Conditions of Use.
- 17.2. Your telecommunications carrier or provider may impose web-enablement, data usage or text messaging fees or other charges for your use of a Digital Wallet. You are responsible for payment of

all fees and charges imposed by your telecommunications carrier or provider.

18. NOTIFICATIONS

- 18.1. As a condition of using your Visa Card in connection with Digital Wallet Service, you acknowledge and consent to us sending notifications and/or text messages to the registered Eligible Device which may or may not be the same device as your mobile phone number on record with OMMS. If at any time you revoke this consent, OMMS may suspend or cancel your ability to use your Visa Card in connection with a Digital Wallet.

19. MODIFYING ELIGIBLE DEVICES

- 19.1. Devices modified contrary to the software or hardware guidelines of a manufacturer, including by disabling hardware or software controls, (commonly referred to as "jail breaking"), are not Eligible Devices. You acknowledge and agree that the use of a modified device to use your Visa Card in connection with Digital Wallet Service is expressly prohibited, constitutes a violation of these Conditions of Use, and is grounds for OMMS to deny your access to your Visa Cards through a Digital Wallet. OMMS will not accept any liability for any losses that you may incur as a result of us denying you access to your Visa Cards through a Digital Wallet in these circumstances.
- 19.2. OMMS has the right to suspend or cancel your ability to use your Visa Card in connection with a Digital Wallet at any time OMMS consider it reasonably necessary or prudent to do so and need not give you any prior notice or reason for doing so.

20. IMPOSING LIMITS

- 20.1. OMMS may impose a limit on any daily and/or individual transaction amount(s) in respect of your use of your Visa Card through a Digital Wallet. The limit will be such amount(s) as determined by OMMS and notified to you from time to time.

21. REMOVAL OF YOUR CARD FROM A DIGITAL WALLET

- 21.1. If you no longer wish to use your Visa Card through a Digital Wallet, you can remove your Card from the relevant Digital Wallet by following the instructions from the Digital Wallet Provider. Removal of your Visa Card from a Digital Wallet will not terminate your Visa Card in its plastic card form unless you also choose to terminate the plastic card form in accordance with section 30 of these Conditions of Use.

22. AUTHORISATION TO COLLECT AND SHARE DATA

- 22.1. You acknowledge that:
- (a) the relevant Digital Wallet Provider as well as its sub-contractors, agents, and affiliates; and
 - (b) Visa and its affiliates as well as subcontractors, agents, and affiliates of all associated payment networks, will have access to certain details of your transactions made by the use of your Visa Card through a Digital Wallet.
- 22.2. The purpose of sharing your data is to:
- (a) perform their obligations under this Digital Wallet arrangement;
 - (b) provide you with relevant transaction data;

- (c) detect and address fraud;
- (d) comply with applicable laws and regulations;
- (e) respond to inquiries made pursuant to court orders or by regulators;
- (f) manage, make product enhancement to, and/or promote the use of the Digital Wallet; and
- (g) create business and/or technical performance reporting.

22.3. You acknowledge that the use, storage and disclosure of any personal information provided by you directly to the Digital Wallet provider, Visa, or other third parties supporting the relevant Digital Wallet, will be governed by the privacy policy of each relevant party.

23. MERCHANT RELATIONSHIPS AND DISCLAIMERS

23.1. From time to time, merchants may present to you certain discounts, rebates or other benefits (e.g., free shipping) ("Offers") if payment is effected through a Digital Wallet. These Offers are subject to certain terms and conditions between you and the relevant merchant and may be subject to change at any time without notice to you. OMMS will not be liable for any loss or damage you or any third party suffer as a result of any interaction between you and a merchant with respect to any Offers.

23.2. To the extent permitted by law and these Conditions of Use, all matters, including delivery of goods and services, returns, and warranties, are solely between you and the applicable merchants. Neither Hay Limited nor OMMS are responsible for the goods and services you acquire through the use of a Digital Wallet. You acknowledge and accept that all complaints about these goods and services must be addressed to the supplier or

merchants of those goods or services. In certain circumstances you may have chargeback rights that may entitle you to a refund. Refer to section 34 for more information in respect of your chargeback rights.

There are specific circumstances and time frames where a refund can be claimed in connection with a Disputed Transaction. This means that the ability to investigate a Disputed Transaction is limited to the time frames imposed by payment service providers and card schemes (like Visa), so it is important to let Us know as soon as possible after you become aware of a Disputed Transaction.

(a) **Incorrect payments/issues with a Purchase**

If you have a problem with a Purchase made with your Card or a Disputed Transaction, the first step is to get in touch with the Merchant you made the Purchase from. If you cannot resolve the matter with the Merchant, contact Us about the Disputed Transaction.

You will not be responsible for Unauthorised Transactions:

- (i) that occur before your Card is issued to you;

- (d) where the losses are caused by the same transaction being incorrectly debited more than once to your Linked Account;

- 31.3. For the purpose of section 31.2 (a), there is a presumption that you did not receive your Visa Card unless OMMS can prove that you did.
- 31.4. For the purpose of section 31.2 (a) vii, OMMS will undertake an assessment to consider whether you have contributed to any loss caused by unauthorised use of your Visa Card. This assessment will include a review of whether you:
- (e) voluntarily disclosed your PIN to anyone, including a family member or friend;

- 31.6. If OMMS can prove on the balance of probability that you have contributed to the unauthorised use of your Visa Card under section 31(1)(a)(vii) your liability will be the lesser of:
- (k) the actual loss when less than your Available Funds (including the unused portion of any credit limit provided to you under any pre-arranged credit facility) with OMMS and/or the Lender;
 - (l) your Available Funds (including the unused portion of any credit limit provided to you under any pre- arranged credit facility with OMMS and/or the Lender);

 - (n) the amount for which you would be held liable if any industry rules, such as Visa's scheme rules, applied (if you wish to find out what industry rules apply to transactions made using your Visa Card, please contact OMMS).
- 31.7. In assessing your liability under section 31.1:
- (o) where your Visa Card has been lost or stolen, the number of days will be calculated by
 - (p) reference to the day when you should reasonably have become aware that it was lost or stolen; and

- (q) the current daily withdrawal limit is the limit applicable at the time of the transaction by reference to the status and/or type of Electronic Banking Terminal at which the transaction occurred.

- (u) the amount for which you would be held liable if any industry rules, such as Visa's scheme rules, applied (if you wish to find out what industry rules apply to transactions made using your Visa Card, please contact OMMS).

31.9. In assessing your liability under this section 31:

- (v) OMMS will consider all reasonable evidence including all reasonable explanations for an unauthorised use having occurred;
- (w) the fact that an account is accessed with the correct PIN, while significant, is not of itself conclusive evidence that you have contributed to the loss; and

- (x) the use or security of any information required to perform a transaction that you are not required to keep secret (for example, your Visa Card Number and the expiry date on the front of your Visa Card) is not relevant to your liability.

- (iii) any delay in notifying OMMS of the unauthorised transaction(s).

32.3. Any refund is conditional upon the final outcome of OMMS's investigation of the matter and may be withdrawn by OMMS where it considers that this section shall not apply as a result of that investigation. In making any determination in respect of this section, OMMS will comply with the requirements of section 31 of these Conditions of Use.

33. RESOLVING ERRORS

33.1. If you believe a transaction is wrong or unauthorised or your account statement contains any instances of unauthorised use or errors, you must immediately notify OMMS as explained in section 5.

- Chargebacks are determined by the Visa Scheme Rules. You should tell OMMS as soon as possible, but no later than 120 days after the date of the transaction and provide OMMS with any information they may reasonably require to assess your

chargeback claim. Failure to do so may result in you losing any chargeback rights.

- 34.2. OMMS may in good faith chargeback some or all of the amount disputed. However, if OMMS does chargeback the transaction (and credit you Linked Account with the amount of the chargeback), and Visa, the merchant, or the merchant's financial institution subsequently declines to chargeback the transaction, OMMS will deduct the refunded amount from your Linked Account.

- 36.2. Where an eftpos Device is not working, the merchant may provide alternative manual processing of the transaction. You will be required to present your Visa Card and sign a voucher.
